

SAWIS 2

1 PURPOSE

To register producers and farms or subdivisions of farms on which grapes for winemaking purposes are produced to the benefit of the producer.

2 PARTIES THAT SHOULD COMPLETE THE FORM

New entrants or a person that wants to register a new farm or in the case of a take over of a farm or section of a farm

3 HOW TO COMPLETE THE FORM

Full particulars must be supplied. The following must be taken into account at point 2:

Farm - a farm is one or more pieces of ground, situated in the same area, on which the same producer produces grapes.

New farm - a farm that is not yet registered in the records of SAWIS.

Subdivision of registered farm - where a section of a farm must be registered in the name of a different producer.

4 SUBMISSION DATE

As soon as possible.
