Research Shows That Wine Tariffs Are Not Easy; Increasing Them May Be Harder

It seems each year European wines show up on retail shelves in my part of the country costing a little more than the year before, so what would happen if President Trump goes through with his twice-threatened tariff increase on French wines?

Global Trends - Wine Industry Key Elements

Why X Marks the Spot for Selling Wine

Generation X, the most infamously pilloried and self-deprecating population cohort the world has known since it started naming generations, may finally get its due.
