UK: Protecting Australia’s geographical indicators

An agreement has been struck to safeguard Australian wine exports to the UK post-Brexit. This agreement will protect Australia’s geographical indicators so UK consumers know our wine is fair dinkum.

Major Wine Producing Countries

Continuing strong international demand for fine Australian wine

International demand for fine Australian wine grew strongly in 2018, with an increase in wine exports of 10 per cent in value to $2.82 billion free on board (FOB) and 5 per cent in volume to 850 million litres (94 million 9-litre case equivalents) in the year ended 31 December 2018.

Moldova hosts 10 km race in world´s largest wine cellar

Hundreds of runners competed in a 10 km (6 mile) race in the world’s largest wine cellar on Sunday, navigating by the light of headlamps as they hurtled through dark limestone caves that stretch some 200 km underground near the capital of Moldova.
